My thanks to Michael for these gems on Australia Day

You know you're Australian if...

- \* You believe that stubbies can be either drunk or worn.
- \* You're liable to burst out laughing whenever you hear of Americans "rooting" for something.
- \* You pronounce Melbourne as 'Mel-bin'.
- \* You believe the 'L' in the word 'Australia' is optional.
- \* You can translate: 'Dazza and Shazza played Acca Dacca on the way to Maccas.'
- \* You call your best friend 'a total bastard' but someone you really, truly despise is just 'a bit of a bastard'.
- \* You're secretly proud of our killer wildlife.
- \* You believe it makes sense for a country to have a \$1 coin that's twice as big as its \$2 coin.
- \* You understand that 'Wagga Wagga' can be abbreviated to 'Wagga' but 'Woy Woy' can't be called 'Woy'.
- \* You've also squeezed vegemite through Vita Wheats to make little Vegemite worms. \* \* Beetroot with your Hamburger... Of course.
- \* You believe that the confectionery known as the Wagon Wheel has become smaller with every passing year.
- \* You wear ugg boots outside the house.
- \* You believe that the more you shorten someone's name the more you like them.
- \* You understand that 'excuse me' can sound rude, While 'scuse me' is always polite.
- \* You know what it's like to swallow a fly, on occasion via your nose.
- \* You know it's not summer until the steering wheel is too hot to handle and a seat belt buckle becomes a pretty good branding iron.
- \* Your biggest family argument over the summer concerned the rules for beach cricket.
- \* You shake your head in horror when companies try to market what they call 'Anzac cookies'.
- \* You still think of Kylie as 'that girl off Neighbours'.
- \* When working on a bar, you understand male customers will feel the need to offer an excuse whenever they order low-alcohol beer.
- \* You know how to abbreviate every word, all of which usually end in -o: arvo, combo, garbo, kero, metho, milko, muso, rego, servo, smoko, speedo, righto, goodo etc.
- \* You know that there is a universal place called "woop woop" located in the middle of nowhere...no matter where you actually are.
- \* You know that none of us actually drink Fosters beer, because it tastes like shit. But we let the world think we do. Because we can.
- \* You have at some time in your life slept with Aeroguard on in the summer. Maybe even as perfume.
- \* You've only ever used the words - tops, ripper, sick, mad, rad, sweet - to mean good. And then you place 'bloody' in front of it when you REALLY mean it.
- \* You know that the barbecue is a political arena; the person holding the tongs is always the boss and usually a man. And the women make the Salad
- \* You say 'no worries' quite often, whether you realise it or not.
- \* You understand what no wucking furries means.
- \* You've drank your tea/coffee/milo through a Tim Tam
- \* You own a Bond's chesty. In several different colours.
- \* You know that roo meat tastes pretty good, But not as good as barra. Or a meat pie.
- \* You know that some people pronounce Australia like "Straya" and that's ok.

## ROTARY GRACE

"In partaking of this meal may we remember those less fortunate than ourselves and, by our deeds of Rotary service, may the day be brought nearer when no-one shall want for food or fellowship." Amen

## ROTARY TOAST

*Fellows (and Guests) please join me in a toast to The Queen,  
People of Australia & Rotarians throughout the world.*

---

## THE FOUR WAY TEST

*Of the things we think, say or do:*

*Is it the TRUTH?*

*Is it FAIR to all concerned?*

*Will it build GOODWILL and BETTER FRIENDSHIPS?*

*Will it be BENEFICIAL to all concerned?*

---

## ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice, for we are young and free.  
We've golden soil and wealth for toil, our home is girt by sea.  
Our land abounds in nature's gifts of beauty rich and rare,  
In history's page let every stage *Advance Australia Fair*.  
In joyful strains then let us sing, *Advance Australia Fair*.
