## Past President Torben's Last Gasp

Wow! Time sure has flown, this is my last report for the bulletin.

It is beyond description how I felt being made a 'Paul Harris Fellow'. As those who are a 'Paul Harris Fellow' already you know it's a great honour.

During my two year tenure as the club president, I have had the pleasure of working with the members of the club --- many thanks to all who helped.

I am looking forward to the next chapter for the club. 2017-2018 looks like being another successful one for the club. I will continue with great enthusiasm and vigour, doing my Community/Vocation portfolio.

*Good, better, best. Never let it rest. 'til your good is better and your better is best. St. Jerome*
