President Torben's Words of Wisdom

At the last meeting we decided not to proceed with the paragolfer, in which case we are in need of a worthwhile project.

Put on your thinking caps to come up with a project, its OK to do BBQs and Spin & Win but we need a project to divert the money raised to.

Send me one suggestion as to what you think is a worthwhile project.

REPORTS

Secretary - Con Bartsos

The club removalists will require 1 trailer and an empty car boot to remove historical documents etc to the home of President Torben on the 16th March. Names have been taken and will be pursued relentlessly if they do not front up.

Bowel kits will be distributed on March 30 to participating pharmacies. Con and George volunteered to do this arduous duty.

Rotary Information

Stan took us back in time to when he was a member of the Rotary Club of Manilla. This was a club that was larger than our entire district. Apart from finding it very difficult to remember everyone's name the club was very big on networking, image and communication. Stan passed around some photos from this time – he has aged remarkably well.

Taken from Rotary Down Under

Two new clubs that are role modelling what was hoped would eventuate following the relaxation of meeting structure standards passed by the Council of Legislation.

The Rotary Club of Seaford, SA, focusing more on doing and less on meetings, together with a vibrant online presence, is an outstanding example.

The Rotary E-Club of WASH, based in NZ, is an e-club formed with a specific focus on water, sanitation and hygiene. It illustrates an innovative new model in which members with a particular passion from all over the world can join forces to focus their efforts on a specific problem.

VOCATIONAL SERVICE LEADERSHIP AWARD

The Vocational Service Leadership Award recognizes Rotarians who have made a significant impact. Candidates must have exhibited significant support of vocational service by fulfilling each of the following criteria:

- Exemplifying integrity and high ethical standards in their vocation and in Rotary
- Using their vocational talents to serve the community. Personally undertaking at least one of the following:
 1. Mentoring a young person to help that person succeed in vocational pursuits
 2. Organizing a vocational service discussion or group workshop to inspire others to take action
 3. Teaching other club members about their vocation by participating in a classification talk
 4. Participating in a business networking event that introduces non-Rotarians to the principles of vocational service
 5. Implementing an activity to celebrate Vocational Service Month in October
 6. Participating in another vocational service project that meets local needs

Marilyn Hopkins was instrumental in setting up the Reading Rabbits program together with the Shire Librarian as a Vocational Program of the **Margaret River Rotary Club**. The Club has provided funding for the program which is aimed at encouraging year one students to use their local public library called reading rabbits. All year one students in the Shire of Augusta-Margaret River are given a Reading Rabbits pack that includes general library information, colouring in and a special reading rewards card. Every time the student borrows a book from the library they will be given a stamp on their card. After ten visits to the Library by one of the students prizes such as stationery, stickers and book vouchers available from the Margaret River Bookshop are awarded as incentives to encourage reading.

DG Elect Peter – from this weekend we can drop the elect part

Peter spoke about SOKS (Save our kids from suicide)

Lifeline has received a cheque for \$60 000 to assist in this work

RYDE E-Club a good community spirit and is gaining meaningful publicity for Rotary.

A CLUB PROJECT

President Torben has asked that we all think about a PROJECT to sink our teeth into. It would be great if we can come up with a project that both assists our local communities and provides some much needed publicity for our club in particular and Rotary in general.

THE FOUR WAY TEST

Of the things we think, say or do:

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

ADVANCE AUSTRALIA FAIR

Australians all, let us rejoice, for we are young and free.
We've golden soil and wealth for toil, our home is girt by sea.
Our land abounds in nature's gifts of beauty rich and rare,
In history's page let every stage *Advance Australia Fair*.

In joyful strains then let us sing, *Advance Australia Fair*.
