Nominations for Paul Harris Fellows

The Paul Harris Fellows was established to honour Paul Harris, who founded Rotary with three business associates in Chicago in 1905, to express appreciation for a contribution of US$1,000 to the humanitarian and educational programs of The Rotary Foundation. These activities of The Rotary Foundation are funded, implemented and managed by Rotarians and Rotary Clubs around the world.
Rotarians also designate a Paul Harris Fellow to recognize another person whose life demonstrates a shared purpose with the objectives and mission of The Rotary Foundation to build world understanding, international friendship and peace.

Hence our Board as a donor to TRF can award Paul Harris Fellows to recognize Rotarians in our Club and District who have given outstanding service, and also recognize outstanding leaders in our community in business in any areas, volunteer organisations, politics at all levels, medicine and other professions, Universities, and any other field of endeavour.

If you would like to nominate anyone by email for a Paul Harris Fellow, please submit to the Secretary, Martin Davies, by next Tuesday 22nd May

Members

Our Interact club at Tumbi Umbi Campus is holding a Wheel-a-thon on the 22nd June. They have asked us to run a BBQ at the event. They expect to sell 300 to 400 sausages from 12.30 to 1.15 on the day.

That is a lot of sausages in a short space of time and will need planning. We will probably need 5 volunteers. Each volunteer will be required to go through an ID process with the school at least a week before the event. This will require a WWC certificate and a driving license as well as a passport.

The kids have done an amazing job producing brochures, pledge sheets and presentations to do to the other school kids to get them to be involved.

I sincerely hope we will be able to provide the resources to assist.

Regards

Gordon

News Flash: Two antennas met on a roof, fell in love and got married. The ceremony wasn't much, but the reception was excellent..

A television weatherman was involved in an accident, and broke both his arms and both legs. He had to call in from hospital to explain about the four casts..

One day a man spotted a lamp by the roadside. He picked it up,rubbed it vigorously, and a genie appeared. "I'll grant you your fondest wish," the genie said. The man thought for a moment, then said, "I want a spectacular job -- a job that no man has ever succeeded at or has ever even dared try." "Poof!" said the genie. "You're a housewife.".
